Commissioner Gene Kaplan called the meeting to order at 7:34 PM.

On motion of Barbara Briamonte, seconded by Scott Fishbein, the October 8, 2025, Minutes were approved.

Commissioner Kaplan reported that the Bunker Project is progressing quickly, with weekly meetings now underway. The work is projected to be completed by December 15th, on time and under budget.

Golf Professional, Robby Mistretta, provided the 2025 October Rounds via email. We are down 352 rounds and 191 guests.

A discussion ensued regarding the Grill Room. Some expressed concerns about presentation, quality, and although very pleasant, the service is not very professional.

Membership comparison reports show we are close to last year's numbers. We have just brought in two (2) more couples and two (2) men. We still have the waiting list.

The discussion regarding Tee Markers is ongoing. It has not been decided if there will be 1956 or Village Club with the bridge logo. We would need 152 markers, which can get quite expensive. Commissioner Kaplan will obtain some pricing from Jonathan when he returns.

Commissioner Kaplan provided an update on the driving range nets. We had one gentleman come to provide an estimate, which was quite high for seven (7) new poles and netting 25 ft. higher.

Geese control – the drone's decibels were too loud. Commissioner Kaplan approved Jonathan to submit a purchase order for the laser.

The course will be temporary greens from December 15th through January 31st.

On motion by Commissioner Kaplan, seconded by Barbara Briamonte, Commissioner Kaplan closed the meeting at 8:11 PM.

Respectfully submitted,
Patricia Santomauro
Golf Commission Secretary
