Commissioner Gal reported that he will speak with Ms. Sorise and Mr. Mooney about their return and expectations for their total number of work hours for the season. He will also speak to Mr. Kern to confirm his return as an additional pool supervisor. Bennett Last will work on any updates to their contracts. Drafts of their contracts will be presented to the Park Commission before approval at the March Board of Trustee meeting.

Commissioner Gal will meet with Pat McDermott next week to review the details of the gazebo project and the status of the chlorine generator installation.

**GAZEBO PROJECT**

The Commission's choice of the Trex decking color is Carmel. Concerns that the composite material will retain too much heat under direct sunlight was revisited. A discussion ensued. Commissioner Gal will discuss installation options with Pat McDermott. Marone will research whether the type of curtains/netting that come with the gazebos might offer some additional shade for the deck bases.

**TENNIS COURT ACCESS CONTROL**

Jean Tien reported that CourtReserve partners with Remote Lock for their tennis court electronic access control function. Equipment must be purchased from Remote Lock and then Court Reserve syncs up with them to complete the access process.
